## INDEPENDENT AUDITOR'S REPORT

Honorable Mayor and City Council  
*City of Mascotte, Florida*

### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the *City of Mascotte, Florida*, as of and for the year ended September 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

### *Management's Responsibility for the Financial Statements*

*City of Mascotte's* management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### *Auditor's Responsibility*

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

### *Opinions*

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Mascotte, as of September 30, 2014, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

MCDIRMIT DAVIS & COMPANY, LLC

934 NORTH MAGNOLIA AVENUE, SUITE 100 ORLANDO, FLORIDA 32803  
TELEPHONE: 407-843-5406 FAX: 407-649-9339 EMAIL: INFO@MCDIRMITDAVIS.COM

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis, and other postemployment benefits disclosures on page 3 through 12, and 53 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### *Other Information*

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise *City of Mascotte's* basic financial statements. The introductory section, combining and individual fund financial statements and schedules are presented for purposes of additional analysis and are not a required part of the financial statements.

The combining and individual nonmajor fund financial statements and schedules are the responsibility of management and were derived from and related directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued a report dated January 20, 2015 on our consideration of *City of Mascotte's* internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering *City of Mascotte's* internal control over financial reporting and compliance.

Orlando, FL  
January 20, 2015

## MANAGEMENT'S DISCUSSION AND ANALYSIS

As management of the *City of Mascotte, Florida* we offer readers of the *City of Mascotte's* financial statements this narrative overview and analysis of the financial activities of the *City of Mascotte* for the fiscal year ended September 30, 2014. We encourage readers to consider the information presented here in conjunction with additional information that we have furnished in our letter of transmittal.

### Financial Highlights

- The assets of the *City of Mascotte* exceeded its liabilities at the close of the most recent fiscal year by \$11,160,377 (net position). Of this amount, \$2,384,849 represents unrestricted net position, which may be used to meet the government's ongoing obligations to citizens and creditors.
- The government's total net position increased by \$833,203.
- As of the close of the current fiscal year, the *City of Mascotte's* governmental funds reported combined ending fund balances of \$2,062,004, a decrease of \$11,305 in comparison with the prior year. Approximately 61% of this total amount, \$1,257,695, is available for spending at the government's discretion (unassigned fund balance).
- At the end of the current fiscal year, unassigned fund balance for the general fund was \$1,257,695, or 56% of total general fund expenditures.

### Overview of the Financial Statements

The financial statements focus on both the City as a whole (government-wide) and on the major individual funds. Both perspectives (government-wide and major fund) allow the user to address relevant questions, broaden a basis for comparison (year-to-year or government-to-government) and enhance the City's accountability.

This discussion and analysis are intended to serve as an introduction to the *City of Mascotte's* (the City) basic financial statements. The City's basic financial statements comprise three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

### Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the *City of Mascotte's* financial position, in a manner similar to a private-sector business. They include a *Statement of Net Position* and a *Statement of Activities*

The *Statement of Net Position* presents information on all of the City's assets, liabilities, and deferred inflows/outflows of resources, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

The *Statement of Activities* presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

## MANAGEMENT'S DISCUSSION AND ANALYSIS - CONTINUED

Both of the government-wide financial statements distinguish functions of the *City of Mascotte* that are principally supported by taxes and intergovernmental revenues (*governmental activities*) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (*business-type activities*). The governmental activities of the *City of Mascotte* include general government, public safety, public works and recreation services. The business-type activities of the *City of Mascotte* include Water, Sanitation, and Stormwater management.

The government-wide financial statements include only the *City of Mascotte* itself (known as the *primary government*) and one blended component unit (The Community Redevelopment Fund).

The government-wide financial statements can be found on pages 13 - 14 of this report.

### Fund Financial Statements

A *fund* is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The *City of Mascotte*, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the *City of Mascotte* can be divided into two categories: governmental funds and proprietary funds.

**Governmental Funds** - *Governmental funds* are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on *near-term inflows and outflows of spendable resources*, as well as on *balances of spendable resources* available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for *governmental funds* with similar information presented for *governmental activities* in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund Balance Sheet and the governmental fund Statement of Revenues, Expenditures, and Changes in Fund Balances provide a reconciliation to facilitate this comparison between *governmental funds* and *governmental activities*.

The *City of Mascotte* maintains ten individual governmental funds. Information is presented separately in the governmental fund Balance Sheet and in the governmental fund Statement of Revenues, Expenditures, and Changes in Fund Balances for the General Fund, the Infrastructure Special Revenue Fund, and the Community Redevelopment Fund which are considered to be major funds. Data from the other seven governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these nonmajor governmental funds is provided in the form of *combining statements* elsewhere in this report.

The *City of Mascotte* adopts an annual appropriated budget for all of its governmental funds. Budgetary comparison statements have been provided for the General Fund, the Infrastructure Special Revenue Fund, and the Community Redevelopment Fund to demonstrate compliance with this budget at pages 19 - 21. Budgetary comparison schedules have been provided for the nonmajor funds at pages 59-65.

The basic governmental fund financial statements can be found on pages 15 - 18 of this report.

## MANAGEMENT'S DISCUSSION AND ANALYSIS - CONTINUED

**Proprietary Funds** - *City of Mascotte* maintains one type of proprietary fund. *Enterprise funds* are used to report the same functions presented as *business-type activities* in the government-wide financial statements. The *City of Mascotte* uses enterprise funds to account for Water, Sanitation and Stormwater Management.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for Water, Sanitation, and Stormwater Management.

The basic proprietary fund financial statements can be found on pages 22 - 25 of this report.

**Notes to the Financial Statements** - The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to financial statements can be found on pages 26 - 53 of this report.

**Required Supplementary Information (RSI)** - RSI can be found on page 54 of this report.

**Other Information** - The combining statements referred to earlier in connection with non-major governmental funds are presented immediately following the Notes to Financial Statements. Combining and individual fund statements and schedules can be found on pages 55 - 65 of this report.

### Government-Wide Financial Analysis

**Statement of Net Position** - As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the *City of Mascotte*, assets exceeded liabilities by \$11,160,377 at the close of the most recent fiscal year. The following table reflects the condensed statement of net position for the current and prior year. For more detail see the Statement of Net Position on page 13.

**MANAGEMENT'S DISCUSSION AND ANALYSIS - CONTINUED**

*City of Mascotte*  
Statement of Net Position

	Governmental Activities		Business-Type Activities		Total Primary Government	
	2014	2013	2014	2013	2014	2013
<b>Assets:</b>						
Current and other assets	\$ 2,163,123	\$ 2,193,806	\$ 1,742,844	\$ 1,090,581	\$ 3,905,967	\$ 3,284,387
Capital Assets	4,611,161	4,734,718	6,236,303	6,378,483	10,847,464	11,113,201
Total Assets	6,774,284	6,928,524	7,979,147	7,469,064	14,753,431	14,397,588
<b>Liabilities:</b>						
Long term liabilities	1,244,363	1,346,605	1,746,471	2,101,048	2,990,834	3,447,653
Other liabilities	110,111	123,790	492,109	498,971	602,220	622,761
Total Liabilities	1,354,474	1,470,395	2,238,580	2,600,019	3,593,054	4,070,414
<b>Net Position:</b>						
Net investment in capital assets	3,576,899	3,565,870	4,540,526	4,301,577	8,117,425	7,867,447
Restricted	658,103	793,613	-	-	658,103	793,613
Unrestricted	1,184,808	1,098,646	1,200,041	567,468	2,384,849	1,666,114
Total Net Position	\$ 5,419,810	\$ 5,458,129	\$ 5,740,567	\$ 4,869,045	\$ 11,160,377	\$ 10,327,174

\$8,117,425 (73%) of the City's net position reflects its investment in capital assets (e.g., land, buildings, improvements, infrastructure and equipment) less any related debt used to acquire those assets that is still outstanding. The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending.

Although the *City of Mascotte's* investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

Net position that are subject to external restrictions as to how they may be used total \$658,103 (6%). The remaining balance of *unrestricted net position* (\$2,384,849 or 21%) may be used to meet the government's ongoing obligations to citizens and creditors.

The City's net position increased by \$833,203 during the current fiscal year. The following table reflects the condensed Statement of Activities for the current year. For more detail see the Statement of Activities on page 14.

**Governmental Activities** - Governmental activities decreased the *City of Mascotte's* net position by \$38,319. This was due to an increase transfers out to the enterprise funds for debt service payments.

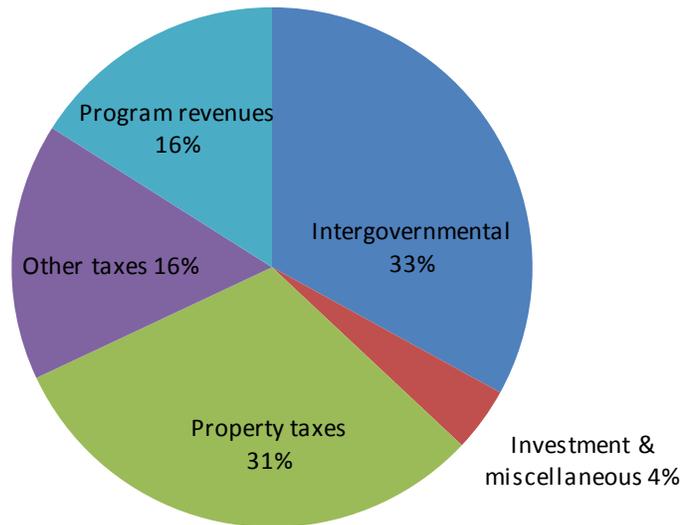

**Business-Type Activities** - Business-type activities increased the *City of Mascotte's* net position by \$871,522 primarily due to increases in charges for services and transfers in for debt service payments.

**MANAGEMENT'S DISCUSSION AND ANALYSIS - CONTINUED**

## MANAGEMENT'S DISCUSSION AND ANALYSIS - CONTINUED

### **Financial Analysis of the Government's Funds**

As noted earlier, the *City of Mascotte* used fund accounting to ensure and demonstrate compliance with finance-related requirements.

**Governmental Funds** - The focus of the City's *governmental funds* is to provide information on near-term inflows, outflows, and balances of *spendable* resources. Such information is useful in assessing the *City of Mascotte's* financing requirements. In particular, *unassigned fund balance* may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of the current fiscal year, the *City of Mascotte's* governmental funds reported combined ending fund balances of \$2,062,004, a decrease of \$11,305 in comparison with the prior year. Approximately 61% or \$1,257,695 of this total amount constitutes unassigned fund balance, which is available for spending at the government's discretion. The remainder of fund balance is restricted, committed, or assigned to indicate that it is not available for new spending because it has already been committed for such purposes as debt service, capital projects, inventories and prepaid costs.

The general fund is the chief operating fund of the *City of Mascotte*. At the end of the current fiscal year, unassigned fund balance of the General Fund was \$1,257,695, while total fund balance was \$1,408,722. As a measure of the General Fund's liquidity, it may be useful to compare both unassigned fund balance and total fund balance to total fund expenditures. Unassigned and total fund balance represent 56% and 63% respectively, of total General Fund expenditures.

The fund balance of the general fund increased by \$129,026 during the current fiscal year.

**Proprietary Funds** - The *City Mascotte's* proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail.

Unrestricted net position of the proprietary funds at the year-end amounted to \$1,200,041. The total increase in net position for these funds was \$871,522. Other factors concerning the finances of these three funds have already been addressed in the discussion of the *City of Mascotte's* business-type activities.

### **General Fund Budgetary Highlights**

During the year, actual revenues were \$146,652 more than budgeted revenues and actual expenditures were \$103,874 less than budgeted expenditures. There were no differences between original and final budgets.

**MANAGEMENT'S DISCUSSION AND ANALYSIS - CONTINUED**

**Capital Asset and Debt Administration**

**Capital Assets** - The *City of Mascotte*'s investment in capital assets for its governmental and business-type activities as of September 30, 2014, amounts to \$10,847,464 (net of accumulated depreciation), for a decrease of \$265,737 from the prior year. This investment in capital assets includes land, buildings, improvements, machinery and equipment and infrastructure. The total decrease in the City's investment in capital assets for the current fiscal year was 2% (a 2% decrease for governmental activities, and 2% decrease for business-type activities).

*City of Mascotte*  
Capital Assets  
(Net of Depreciation)

Additional information on the *City of Mascotte*'s capital assets can be found in Note 6 of this report.

**Long-Term Debt** - At the end of the current fiscal year, the *City of Mascotte* had total debt outstanding of \$2,730,039. This debt includes bonds payable and notes payable. Additional information on long-term debt can be found in Note 7 of this report.

	<b>Governmental Activities</b>		<b>Business-Type Activities</b>		<b>Total Primary Government</b>	
	<b>2014</b>	<b>2013</b>	<b>2014</b>	<b>2013</b>	<b>2014</b>	<b>2013</b>

The *City of Mascotte*'s total debt decreased by \$515,715 (16%) during the current fiscal year.

## MANAGEMENT'S DISCUSSION AND ANALYSIS - CONTINUED

### **Next Year's Budget and Rates**

During the current fiscal year, the unassigned fund balance in the General Fund totaled \$1,257,695. None of the unassigned fund balance is budgeted for appropriations in the 2015 budget. The City is expecting to incur enough revenues in 2015 to cover expenditures to mitigate any need to draw on 2014 unassigned fund balance.

### **Requests for Information**

This financial report is designed to provide a general overview of the *City of Mascotte's* finances for all those with an interest in the government's finances. Questions concerning any of the information should be addressed to the office of the Finance Director, *City of Mascotte*, 100 East Myers Boulevard, Mascotte, Florida 34753.

CITY OF MASCOTTE, FLORIDA

**RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES  
AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE  
STATEMENT OF ACTIVITIES**

For the Year Ended September 30, 2014

Net change in fund balances - total governmental funds: \$ (11,305)

Amounts reported for governmental activities in the Statement of Activities are different because:

Governmental funds report outlays for capital assets as expenditures because such outlays use current financial resources. In contrast, the Statement of Activities reports only a portion of the outlay as expense. The outlay is allocated over the assets' estimated useful lives as depreciation expense for the period.

This is the amount by which capital outlays were less than depreciation in the current period. (123,557)

Revenue reported in the funds must be eliminated from the statement of activities, since revenue was recognized in a prior year (6,808)

Governmental funds report bond proceeds as current financial resources. In contrast, the Statement of Activities treats such issuance of debt as a liability. Governmental funds report repayment of bond principal as an expenditure, In contrast, the Statement of Activities treats such repayments as a reduction in long-term liabilities. This is the amount by which repayments exceeded proceeds. 134,586

The net effect of transfers of capital assets from/(to) proprietary funds.

The net effect of transfers of capital assets from/(to) proprietary funds. -

Some expenses reported in the statement of activities do not require the use of current financial resources and these are not reported as expenditures in governmental funds. (31,235)

Change in net position of governmental activities \$ (38,319)

**NOTES TO FINANCIAL STATEMENTS**

**NOTES TO FINANCIAL STATEMENTS**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies:**

***A. Reporting Entity***

The *City of Mascotte*, Florida ("the City") is a political subdivision of the state of Florida located in Lake County. The *City of Mascotte* was originally incorporated under the laws of the State of Florida on November 23, 1925. The City recently changed to a City Manager form of government by a referendum vote of the citizens. The legislative branch of the City is composed of a Mayor and a four (4) member elected Council. The City Council is responsible for the establishment and adoption of policy. The execution of such policy is the responsibility of the Council appointed City Manager.

In evaluating how to define the government, for financial reporting purposes, the City has considered all potential component units. The definition of the reporting entity is based primarily on the notion of financial accountability. A primary government is financially accountable for the organizations that make up its legal entity. It is also financially accountable for legally separate organizations if its officials appoint a voting majority of an organization's governing body, and either it is able to impose its will on that organization or there is a potential for the organization to provide specific financial benefits to, or to impose specific financial burdens on, the primary government. A primary government may also be financially accountable for governmental organizations that are fiscally dependent on it.

A primary government has the ability to impose its will on an organization if it can significantly influence the programs, projects or activities of, or the level of services performed or provided by, the organization. A financial benefit or burden relationship exists if the primary government (a) is entitled to the organizations' resources; (b) is legally obligated or has otherwise assumed the obligation to finance the deficits of, or provide financial support to, the organization; or (c) is obligated in some manner for the debt of the organization. In applying the above criteria, the City has one blended component unit as follows:

**The *City of Mascotte* Community Redevelopment Fund**

The *City of Mascotte* created the Community Redevelopment Agency in April of 2005. This is a dependent taxing district established in accordance with Chapter 163, Part III, Florida Statutes. Notification to affected taxing agency was done in compliance with Chapter 163.346, Part III, Florida Statutes. The incremental annual increase in tax over the base years will be used to fund projects designed to enhance and improve the described area. The City Council, being the duly elected governmental body for the designated area, passed Resolution 2005-03-350, which established the *City of Mascotte* as the Redevelopment Agency for the purpose of carrying out the community redevelopment programs and plans within the area. The Council adopted a community development redevelopment plan through Resolution 2005-06-352. Through Ordinance 2005-06-380 the City established the Community Redevelopment Trust Fund to account for all transactions generated by this special revenue fund.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies (Continued):**

***B. Government-Wide and Fund Financial Statements***

The government-wide financial statements (i.e., the statement of net position and the statement of changes in net position) report information on all of the nonfiduciary activities of the City. For the most part, the effect of interfund activity has been removed from these statements. *Governmental activities*, which normally are supported by taxes and intergovernmental revenues, are reported separately from *business-type activities*, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as *general revenues*.

Separate financial statements are provided for governmental funds, proprietary funds, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds and major individual enterprise funds are reported as separate columns in the fund financial statements.

***C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation***

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*, as are the proprietary fund and fiduciary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the year for which they are levied. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies (Continued):**

***C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued):***

Property taxes, franchise taxes, licenses, and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of special assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period. All other revenue items are considered to be measurable and available only when cash is received by the City.

The government reports the following funds:

**Major Governmental Funds**

The *General Fund* is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Infrastructure Special Revenue Fund* is a special revenue fund established to account for the accumulation of proceeds of the local government infrastructure surtax to be received by the City until December 2017. The proceeds and interest accrued thereto, by law, are only to be used to finance, plan and construct infrastructure.

The *Community Redevelopment Fund* was established as a dependent taxing district. The incremental annual increase in tax over the base years will be used to fund projects designed to enhance and improve the described area.

**Non-Major Governmental Fund Types**

*Special Revenue Funds* account for specific revenue sources that are restricted by law or administrative action to expenditures for specific purposes.

**Major Proprietary Funds**

*Water Fund* is used to account for the operations of the City's water system, which are financed in a manner similar to private business enterprises, where the costs, including depreciation, of providing services to the general public on an ongoing basis are financed primarily through user charges.

*Sanitation Fund* is used to account for the fiscal activities of the City's refuse collection and disposal operation.

*Stormwater Fund* is used to account for the operation and maintenance of the City's stormwater system.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies (Continued):**

***C. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued):***

As a general rule the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are other charges between the City's water function and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

Amounts reported as *program revenues* include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions, including special assessments. Internally dedicated resources are reported as *general revenues* rather than as program revenues. Likewise, general revenues include all taxes.

Proprietary funds distinguish *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the City's water and sanitation funds are charges to customers for sales and services. The City also recognizes as operating revenue the portion of tap fees intended to recover the cost of connecting new customers to the system. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first, then unrestricted resources as they are needed.

***D. Assets, Liabilities, Deferred Outflows/Inflows and Net Position/Fund Balance:***

**1. Deposits and Investments**

The government's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

Investments of the City are reported at fair value. The City's investments consist of investments authorized per their investment policy, adopted in accordance with Section 218.415, Florida Statutes.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies (Continued):**

***D. Assets, Liabilities, Deferred Outflows/Inflows and Net Position/Fund Balance (Continued):***

**2. Deposits and Investments**

The government's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition.

Investments of the City are reported at fair value. The City's investments consist of investments authorized per their investment policy, adopted in accordance with Section 218.415, Florida Statutes.

**3. Receivables and Payables**

Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans). All other outstanding balances between funds are reported as "due to/from other funds". Any residual balances outstanding between the governmental activities and business-type activities are reported in the government-wide financial statements as "internal balances".

Advances between funds, as reported in the fund financial statements, are offset by a non-spendable fund balance in applicable governmental funds to indicate that they are not available for appropriation and are not expendable available financial resources.

All receivables are shown net of an allowance for uncollectibles. The County bills and collects property taxes and remits them to the City. City property tax revenues are recognized when levied to the extent that they result in current receivables.

All property is reassessed according to its fair value on the lien date, or January 1 of each year. Taxes are levied on October 1 of each year. Discounts are allowed for early payment at the rate of 4% in the month of November, 3% in the month of December, 2% in the month of January, and 1% in the month of February. The taxes paid in March are without discount. All unpaid taxes become delinquent on April 1 following the year in which they are assessed. On or around May 31 following the tax year, certificates are sold for all delinquent taxes on real property.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies (Continued):**

***D. Assets, Liabilities, Deferred Outflows/Inflows and Net Position/Fund Balance  
(Continued):***

**4. Inventories and Prepaid Items**

All inventories are valued at cost using the first-in/first-out (FIFO) method. Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

**5. Restricted Assets**

The use of certain assets of the Water and Wastewater fund may be restricted by specific provisions of bond resolutions, city ordinances and/or agreements with various parties. Assets so designated are identified as restricted assets on the balance sheet.

**6. Capital Assets**

Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined by the City's capitalization policy as assets with an initial, individual cost of \$1,000 or more and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed. No interest was capitalized for the year ended September 30, 2014.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies (Continued):**

***D. Assets, Liabilities, Deferred Outflows/Inflows and Net Position/Fund Balance (Continued):***

**5. Capital Assets (Continued):**

Property, plant, and equipment of the City are depreciated using the straight line method over the following estimated useful lives:

<u>Assets</u>	<u>Years</u>
Buildings	10-50
Improvements	15-50
Infrastructure	30-50
Equipment	3-15

**6. Compensated Absences**

It is the City's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. Since the City's policy is to pay all vacation and a portion of sick pay when employees separate from service, these amounts are accrued when incurred in the government-wide and proprietary fund financial statements. A liability for these amounts is reported in governmental funds only if they have matured, for example, as a result of employee resignations and retirements. For governmental activities, compensated absences are generally liquidated by the general fund.

**7. Long-Term Obligations**

In the government-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount.

In the fund financial statements, governmental fund types recognize bond premiums and discounts during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies (Continued):**

***D. Assets, Liabilities, Deferred Outflows/Inflows and Net Position/Fund Balance (Continued):***

**8. Deferred Outflows/Inflows of Resources**

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will *not* be recognized as an outflow of resources (expense/expenditure) until then. The City does not have any item that qualifies for reporting in this category for the year ended September 30, 2014.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will *not* be recognized as an inflow of resources (revenue) until that time. The City does not have any item that qualifies for reporting in this category for the year ended September 30, 2014.

**9. Net Position Flow Assumptions**

Sometimes the City will fund outlays for a particular purpose from both restricted and unrestricted resources (the total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the City's policy to consider restricted - net position to have been depleted before unrestricted - net position is applied.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies (Continued):**

***D. Assets, Liabilities, Deferred Outflows/Inflows and Net Position/Fund Balance (Continued):***

**10. Fund Balance Flow Assumptions**

Sometime the City will fund outlays for a particular purpose from both restricted and unrestricted resources (total of committed, assigned, and unassigned fund balance). In order to calculate the amounts to report as restricted, committed, assigned, and unassigned fund balance in the governmental fund financial statements a flow assumption must be made about the order in which the resources are considered to be applied. It is the City's policy to consider restricted fund balance to have been depleted before using any of the components of unrestricted fund balance. Further, when the components of unrestricted fund balance can be used for the same purpose, committed fund balance is depleted first, followed by assigned fund balance. Unassigned fund balance is applied last.

**11. Fund Balance Policies**

Fund balance of governmental funds is reported in various categories based on the nature of any limitations requiring the use of resources for specific purposes. The City itself can establish limitations on the use of resources through either a commitment (committed fund balance) or an assignment (assigned fund balance).

The committed fund balance classification includes amounts that can be used only for the specific purposes determined by a formal action of the city's highest level of decision-making authority. The Council is the highest level of decision-making authority for the city that can, by adoption of a resolution prior to the end of the fiscal year, commit fund balance. Once adopted, the limitation imposed by the resolution remains in place until a similar action is taken (the adoption of another resolution) to remove or revise the limitation.

Amounts in the assigned fund balance classification are intended to be used by the city for specific purposes but do not meet the criteria to be classified as committed. The council has maintained authority to assign fund balance. The council may also assign fund balance as it does when appropriating fund balance to cover a gap between estimated revenue and appropriations in the subsequent year's appropriated budget. Unlike commitments, assignments generally only exist temporarily. In other words, an additional action does not normally have to be taken for the removal of an assignment. Conversely, as discussed above, an additional action is essential to either remove or revise a commitment.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 1 - Summary of Significant Accounting Policies (Continued):**

***E. New GASB Statements Implemented:***

GASB Statement No. 67, *Financial Reporting for Pension Plans*. This statement replaces the requirements of GASB Statement No. 25, *Financial Reporting for Defined Benefit Pension Plans and Note Disclosures for Defined Contribution Plans*, and Statement No. 50, *Pension Disclosures*, as they relate to pension plans that are administered through trusts or equivalent arrangements that meet certain criteria. The City has implemented the disclosure requirements in Note 9 for the City's Defined Contribution Retirement Plan.

**Note 2 - Reconciliation of Government-Wide and Fund Financial Statements:**

***A. Explanation of Certain Differences Between the Governmental Fund Balance Sheet and the Government-Wide Statement of Net Positions***

The governmental fund balance sheet includes a reconciliation between *fund balance - total governmental funds* and *net positions - governmental activities* as reported in the government-wide statement of net positions. One element of that reconciliation explains that "long-term liabilities, including notes payable, are not due and payable in the current period and therefore are not reported in the funds." The details of this (\$1,244,363) difference are as follows:

Notes Payable	\$ (1,034,262)
Compensated Absences	(162,236)
Other Post Employment Benefits	<u>(47,865)</u>
Net Adjustment to Reduce <i>Fund Balance - total governmental funds</i> to arrive at <i>net assets - governmental activities</i>	<u><u>\$ (1,244,363)</u></u>

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 2 - Reconciliation of Government-Wide and Fund Financial Statements (Continued):**

***B. Explanation of Certain Differences Between the Governmental Fund Statement of Revenues, Expenditures, and Changes in Fund Balances and the Government-Wide Statement of Activities***

The governmental fund statement of revenues, expenditures, and changes in fund balances includes a reconciliation between *net changes in fund balances - total governmental funds* and *changes in net positions of governmental activities* as reported in the government-wide statement of activities. One element of that reconciliation explains that “Governmental funds report capital outlays as expenditures. However, in the statement of activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.” The details of this \$(123,557) difference are as follows:

Capital Outlay	\$ 99,568
Depreciation Expense	<u>(223,125)</u>
Net adjustment to decrease net changes in fund balances - <i>total governmental funds</i> to arrive at changes in <i>net assets of</i> <i>governmental activities</i>	<u><u>\$ (123,557)</u></u>

Another element of that reconciliation states that “the issuance of long-term debt (e.g., notes, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds. Neither transaction, however, has any effect on net positions. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities.” The details of this \$134,586 difference are as follows:

Debt Issued or Incurred:	
Principal repayment	<u>\$ 134,586</u>
Net Adjustment to Increase Net Changes in Fund Balances - <i>total governmental funds</i> to arrive at changes in <i>net assets of</i> <i>governmental activities</i>	<u><u>\$ 134,586</u></u>

Another element of that reconciliation states that “Some expenses reported in the statement of activities do not require the use of current financial resources and therefore are not reported as expenditures in governmental funds.” The details of this \$(31,235) difference are as follows:

Compensated Absences	\$ (17,931)
Other Post Employment Benefits	(14,413)
Accrued Interest Payable	<u>1,109</u>
Net Adjustment to Increase Net Changes in Fund Balances - <i>total governmental funds</i> to arrive at changes in <i>net assets of</i> <i>governmental activities</i>	<u><u>\$ (31,235)</u></u>

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 3 - Stewardship, Compliance, and Accountability**

**A. Budgetary Information**

The City follows these procedures in establishing the budgetary data reflected in the financial statements:

- (1) Prior to the end of the fiscal year, the City Manager submits to the City Council a proposed operating budget for the fiscal year commencing the following October 1. The operating budget includes proposed expenditures and the means of financing them.
- (2) The general summary of the budget and notice of public hearing is published in the local newspaper. Public hearings are conducted to obtain taxpayer comments. Prior to October 1, budgets are legally enacted through passage of an ordinance.
- (3) The City Manager is authorized to transfer budgeted amounts within and between divisions and departments; however, any revisions that alter the total appropriations of any fund must be approved by the City Council. The level of classification detail at which expenditures may not legally exceed appropriations is the fund level.
- (4) Appropriations lapse at the close of the fiscal year to the extent they have not been expended.
- (5) Budgets are adopted for the general fund and special revenue funds on a basis consistent with accounting principles generally accepted in the United States of America. Budgets are also adopted for the enterprise funds; however, this data is not presented under generally accepted accounting principles.
- (6) The City Council, by ordinance or resolution, may make supplemental appropriations in excess of those originally estimated for the year up to the amount of available revenues. Budgeted amounts presented in the accompanying financial statements have been adjusted for legally authorized revisions.

**B. Excess of Expenditures Over Appropriations**

The Police Automation and Fire Impact Special Revenue Funds contained an excess of expenditures over appropriations during the fiscal year ended September 30, 2014. These over expenditures were funded by greater than anticipated revenue and available fund balance.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 4 - Deposits and Investments:**

**Deposits**

At year-end, the carrying amount of the City's deposits was \$3,549,687 and the bank balance was \$3,587,184. Petty cash funds of \$1,100 are not on deposit with a financial institution.

All bank deposits were covered by Federal Depository Insurance or by collateral held in banks that are members of the State of Florida's Collateral Pool as specified under Florida law. Florida Statutes provide for collateral pooling by banks and savings and loans. This limits local government deposits to "authorized depositories".

**Investments**

Investments in all fund types are stated at fair value, which is the amount for which an investment could be exchanged in a current transaction between willing parties, other than in a forced liquidation sale. Fair value is based on quoted market prices. Changes in the fair value of investments are recognized as revenue and included in investment income. Investment income is recognized as earned and is allocated to the participating funds based on their equity participation. The City's investment policies are governed by Florida Statutes, which allow the following investments:

- (a) Florida Local Government Surplus Funds Trust Fund Investment Pool (SBA LGIP)
- (b) U.S. Government securities
- (c) U.S. Government Agency securities
- (d) Federal Instrumentalities (U.S. Government sponsored agencies)
- (e) Interest bearing time deposit or savings accounts
- (f) Repurchase agreements
- (g) Commercial paper
- (h) Bankers' acceptances
- (i) State and/or local governmental taxable and/or tax-exempt debt
- (j) Registered investment companies (money market mutual funds)
- (k) Intergovernmental investment pool

CITY OF MASCOTTE, FLORIDA

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 4 - Deposits and Investments (Continued):**

**Investments (Continued):**

The City does not have an investment policy that addresses credit risk, concentration of credit risk, custodial credit risk, or interest rate risk. However, all deposits are potentially subject to custodial credit risk. The City policy requires that bank deposits be secured as provided by Chapter 280, Florida Statutes. This law requires local governments to deposit funds only in financial institutions designated as qualified public depositories by the Chief Financial Officer of the State of Florida, and creates the Public Deposit Trust Fund, a multiple financial institution pool with the ability to assess its member financial institutions for collateral shortfalls if a default or insolvency has occurred. At September 30, 2014, all of the City's bank deposits were in qualified public depositories.

**Note 5 - Receivables:**

Receivables as of year end for the City's individual major funds and nonmajor funds, including the applicable allowances for uncollectible accounts, are as follows:

	<u>Water Fund</u>	<u>Sanitation Fund</u>	<u>Stormwater Fund</u>	<u>Total</u>
Receivables:				
Accounts	\$ 245,301	\$ 61,487	\$ 40,717	\$ 347,505
Less allowance for uncollectible accounts	(82,433)	(2,620)	(14,465)	(99,518)
	<u>\$ 162,868</u>	<u>\$ 58,867</u>	<u>\$ 26,252</u>	<u>\$ 247,987</u>

CITY OF MASCOTTE, FLORIDA

CITY OF MASCOTTE, FLORIDA

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 6 - Capital Assets (Continued):**

Depreciation expense was charged to functions/programs as follows:

Governmental Activities:	
General government	\$ 109,168
Public safety	72,349
Transportation/public works	30,560
Culture and recreation	11,048
Total Depreciation Expense - governmental activities	<u>\$ 223,125</u>
Business-type Activities:	
Water	\$ 200,150
Stormwater	47,584
Total Depreciation Expense - business type activities	<u>\$ 247,734</u>

**Note 7 - Long-Term Debt:**

**Revenue Bonds**

The City issues bonds where the City pledges revenue derived from the acquired or constructed assets to pay debt service. Revenue bonds have been issued for business-type activities. The original amount of revenue bonds issued in prior years, as well as revenue bonds outstanding at year end, are as follows:

	<u>Interest Rates and Dates</u>	<u>Maturity</u>	<u>Original Amount</u>	<u>Balance, September 30, 2014</u>
<u>Business-Type Activities</u>				
Water Revenue Bonds	5% (9/1)	9/1/86- 9/1/23	<u>\$ 353,800</u>	<u>\$ 149,000</u>

These Water Revenue Bonds are secured by a first lien on and pledge of the net revenues of the water system and a first lien on and pledge of allowable impact fees imposed on new users of the system. Total principal and interest remaining to be paid on this series is \$188,950. For the fiscal year, principal and interest paid on this bond was \$21,100 and total pledged revenue was \$740,994.

CITY OF MASCOTTE, FLORIDA

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 7 - Long-Term Debt (Continued):**

The Water Revenue Bonds resolution provides for:

- (1) Establishment and maintenance of various funds and accounts and;
- (2) The City shall establish rates, which will provide for necessary operating expenses, including principal and interest payments.

Annual debt service requirements to maturity for water revenue bonds are as follows:

<u>Year Ending September 30,</u>	<b>Business-Type Activities</b>	
	<u>Principal</u>	<u>Interest</u>
2015	\$ 13,000	\$ 7,450
2016	14,000	6,800
2017	15,000	6,100
2018	16,000	5,350
2019	16,000	4,550
2020-2023	75,000	9,700
Total	<u>\$ 149,000</u>	<u>\$ 39,950</u>

**Note 7 - Long-Term Debt (Continued):**

**Notes Payable - Business-type Activities**

At September 30, 2014 notes payable consisted of:

Capital improvement revenue note payable to bank in annual installments. Interest paid quarterly at 3.175% through January 2015; secured by infrastructure sales surtax; 2014 pledged revenue was \$437,358. Principal and Interest paid in 2014 was \$97,434.	\$ 369,566
Line of credit payable to bank; interest due quarterly at 5.05%; principal due semiannually through September 2016 of \$129,167, secured by CRA revenues and wastewater impact fees, 2014 pledged revenue was \$10,492. Principal and interest paid in 2014 was \$306,800.	816,333
Note payable to SRF in 23 semi-annual installments of \$10,154, including interest at 2.68%, beginning on January 15, 2012; secured by net revenues from operation of water and sewer system, together with impact fees. 2014 pledged revenue was \$708,302. Principal and interest applied to note in 2014 was \$20,309.	288,506
Note payable to SRF in 13 semi-annual installments of \$14,424, including interest at 2.64%, beginning June 15, 2010; secured by net revenues from operation of water and sewer system. 2014 pledged revenue was \$698,102. Principal and interest paid in 2014 was \$14,223.	<u>72,372</u>
	<u><u>\$ 1,546,777</u></u>

CITY OF MASCOTTE, FLORIDA

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 7 - Long-Term Debt (Continued):**

Annual debt service requirements to maturity on the notes payable are as follows:

Year Ending September 30,	Business-Type Activities	
	Principal	Interest
2015	\$ 371,496	\$ 53,399
2016	374,964	36,940
2017	378,540	20,378
2018	165,218	8,662
2019	27,849	6,683
2020-2024	83,347	25,310
2025-2029	87,196	14,349
2030-2032	58,167	2,761
Total	<u>\$ 1,546,777</u>	<u>\$ 168,482</u>

**State Revolving Loan**

During 2008, the City executed two loan agreements with the Department of Environmental Protection to finance the planning, design, and construction of public water systems and wastewater pollution control facilities. The State Revolving Fund Loans are approved for the following amounts:

Water System	\$ 240,000
Wastewater Facilities	469,064

The water system loan will be paid back in 10 years, starting on June 15, 2010 and the wastewater facilities loan will be paid back in 20 years starting on January 15, 2013. The total amount to be paid back will also include loan service fees and capitalized interest not included in above amounts.

**Line of Credit**

On September 7, 2007 the City borrowed \$2,100,000, the full amount available, on a line of credit with a bank. The funds were used for land purchases and secured by wastewater impact fees. Interest payments are due quarterly at 5.05% and principal payments are semiannual. The line matures in September of 2016.

CITY OF MASCOTTE, FLORIDA

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 7 - Long-Term Debt (Continued):**

**Notes Payable - Governmental Activities**

Summarized below are the City's notes outstanding at September 30, 2014:

Note payable to a bank in monthly installments of \$3,574 including interest at 4.75% through February 2020; secured by City Hall building. Principal and interest paid was \$46,468.	\$ 264,483
Note payable to a bank in semiannual installments of \$41,667 including interest at 4.87% due quarterly. Secured by infrastructure sales surtax; 2014 pledged revenue was \$437,358. Principal and interest paid in 2014 was \$121,408.	708,334
Line of credit payable to a bank; interest due quarterly at 5.05%; principal due semiannually through September 2016 of \$9,722, secured by CRA revenues and wastewater impact fees. 2014 pledged revenue was \$10,492. Principal and interest paid in 2014 was \$23,092.	61,445
	<u>\$ 1,034,262</u>

Debt service requirements for the above notes are as follows:

<u>Year Ending September 30,</u>	<u>Governmental Activities</u>	
	<u>Principal</u>	<u>Interest</u>
2015	\$ 130,966	\$ 51,271
2016	134,965	42,254

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 8 - Interfund Receivables, Payables and Transfers:**

The General Fund advanced \$147,915 to the Water Fund for working capital loans that the General Fund expects to collect in future years.

The Infrastructure Special Revenue Fund transferred \$311,291 to the Water Fund for debt service payments. Transfers are used to (1) move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them and (2) move receipts restricted to debt service from the funds as debt service payments become due.

**Note 9 - Retirement Plan:**

The City has adopted a Defined Contribution Retirement Plan to provide certain benefits for its employees upon their retirement from active service and for their beneficiaries in the event of death.

***Eligibility*** - The plan covers all employees of the City who on the effective date of the plan has (a) completed one year of service prior to the effective date, and (b) attained age 18.

***Funding Policy*** - The City contributes 10% of the compensation of each participant after one year of service. Forfeitures are used to reduce the City's contributions. Employer contributions on behalf of participants are made on each payroll period. Each participant may make voluntary contributions to the plan which are immediately vested. Voluntary contributions may not exceed 5% of the annual compensation paid by the employer to the participant in the plan year.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 9 - Retirement Plans (Continued):**

During the year ended September 30, 2014, the City's total payroll was \$1,541,534. The City contributed \$100,743 to the plan for the year ended September 30, 2014. Of this total, \$11,482 was contributed from the forfeiture account.

As defined by the plan, normal retirement age is 65.

***Vesting Schedule*** - All voluntary contributions are fully vested to participant. The City's contributions are vested to the individual participants' accounts as follows:

<u>Years of Service</u>	<u>% Vested</u>
3	50%
6 or more	100%

The assets of the plan are held by an independent party acting as investment custodian and plan administrator, and are invested in mutual funds selected by the participant.

**Note 10 - Deferred Compensation Plan:**

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan is administered by ICMA Retirement Corporation. The plan permits participants to defer a portion of their salary until future years. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency.

Because the Plan Assets are held in trust for the exclusive benefit of plan participants and their beneficiaries, the Plan is not accounted for in the City's fund financials.

**Note 11 - Other Post-Employment Benefits:**

In accordance with Florida Statutes Section 112.0801, the City makes continued group health insurance through the City's current provider available to retirees and eligible dependents provided certain service requirements and normal age retirement requirements have been met. This benefit has no cost to the City, other than the implicit cost of including retirees in the group calculation. All premiums are paid by the retiree. The City has one retiree currently receiving benefits. The City has chosen pay-as-you-go funding, but is recording the liability in the government wide financial statements. This plan does not issue stand-alone financial statements.

As of October 1, 2013, the most recent actuarial valuation date, the actuarial accrued liabilities (AAL) and unfunded actuarial accrued liability (UAAL) for benefits was \$95,182.

CITY OF MASCOTTE, FLORIDA

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 11 - Other Post-Employment Benefits (Continued):**

The annual required contribution and Net OPEB Obligation for the fiscal year ended September 30, 2014 is as follows:

Annual Required Contribution	\$ 28,421
Interest on Net OPEB Obligation	1,690
Adjustment to Annual Required Contribution	<u>(2,319)</u>
Annual OPEB Cost	27,792
Estimated Net Contributions Made	<u>(11,777)</u>
Increase in Net OPEB Obligation	16,015
Net OPEB Obligation (beginning of year)	<u>37,562</u>
Net OPEB Obligation (end of year)	<u><u>\$ 53,577</u></u>

***Three Year Trend Information***

<u>Fiscal Year Ending</u>	<u>Annual OPEB Cost</u>	<u>Percentage of OPEB Cost Contributed</u>	<u>Net OPEB Obligation</u>
9/30/2012	21,329	30.50%	14,780
9/30/2013	32,256	29.40%	37,562
9/30/2014	27,792	42.40%	53,577

Note: Fiscal year 2012 was the first year the City offered OPEB benefits

**Summary of Actuarial Methods & Assumptions:**

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, normally presents multi-year trend information about whether the actuarial value of the plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multi-year trend information about whether the actuarial value of the plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 11 - Other Post-Employment Benefits (Continued):**

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

The City qualifies to use the alternative measurement method, and has elected to do so. The following are the significant assumptions used:

**Actuarial Cost Method** - the entry age normal (level % of pay)

**Amortization Method** - level percentage of payroll (closed amortization over 30 years)

**Mortality** - RP-2000 Combined Healthy Mortality Table.

**Interest Rate** - 4.50% per year compounded annually, net of investment related expenses.

**Retirement Rate** - 100% at age 58.

**Participation Rate** - 20% of active employees are assumed to maintain benefit coverage after retirement.

**Spousal Coverage** - 50% of active employees who have elected benefit coverage are assumed to cover their spouse.

**Retiree Contributions**- retirees participating in the group insurance plans offered by the City are required to contribute 100% of the active premiums. In future years, contributions are assumed to increase at the same rate as premiums.

**Healthcare Inflation** - Pre-Medicare: 7.5% in fiscal 2014; trending to 4.5% in fiscal 2017. Post-Medicare: 7.5% in fiscal 2014, trending to 4.5% in fiscal 2017.

**Note 12 - Commitments and Contingencies:**

**Litigation** - The City is engaged in various liability claims incidental to the conduct of its general government operations at September 30, 2014. While the ultimate outcome of the litigation cannot be determined at this time, management believes that any amounts not covered by insurance, if any, resulting from these lawsuits would not materially affect the financial position of the City.

CITY OF MASCOTTE, FLORIDA

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

September 30, 2014

**Note 12 - Commitments and Contingencies - (Continued):**

**Risk Management** - The City is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the City carries commercial insurance. There have been no significant reductions in insurance coverage from the prior year and settlements have not exceeded insurance coverage during the past three years.

**Note 13 - Fund Balance:**

At September 30, 2014 the City's governmental fund balances were as follows:

	<u>General Fund</u>	<u>Infrastructure Special Revenue Fund</u>	<u>Community Redevelopment Special Revenue Fund</u>	<u>Other Governmental Funds</u>	<u>Total</u>
Fund Balances

## **OTHER REPORTS**

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Honorable Mayor and City Council  
*City of Mascotte, Florida*

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, business-type activities, each major fund, and the aggregate remaining fund information of the *City of Mascotte, Florida*, as of and for the year ended September 30, 2014, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated January 20, 2015.

***Internal Control Over Financial Reporting***

In planning and performing our audit of the financial statements, we considered the *City of Mascotte, Florida's* internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of *city of Mascotte's* internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

TELEPHONE: 407-843-5406 FAX: 407-649-9339 EMAIL: INFO@MCDIRMITDAVIS.COM

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether *City of Mascotte's* financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The result of our tests disclosed no instances of noncompliance, or other matters that are required to be reported under *Government Auditing Standards*.

### ***Purpose of this Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

*McDiernit Davis & Company, LLC*

## MANAGEMENT LETTER

Honorable Mayor and City Council  
*City of Mascotte, Florida*

### Report on the Financial Statements

We have audited the financial statements of the *City of Mascotte, Florida*, as of and for the fiscal year ended September 30, 2014, and have issued our report thereon dated January 20, 2015.

### Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Florida Auditor General.

### Other Reports and Schedule

We have issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards* and Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, Section 601, regarding compliance requirements accordance with Chapter 10.550, rules of the Auditor General. Disclosures in that report, which is dated January 20, 2015, should be considered in conjunction with this management letter.

### Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, require that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. There were no such findings in the preceding annual financial audit report.

### Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. This information has been disclosed in the noted to the financial statements.

**MCDIRMIT DAVIS & COMPANY, LLC**

934 NORTH MAGNOLIA AVENUE, SUITE 100 ORLANDO, FLORIDA 32803  
TELEPHONE: 407-843-5406 FAX: 407-649-9339 EMAIL: INFO@MCDIRMITDAVIS.COM

## **Financial Condition**

Section 10.554(1)(i)5.a., Rules of the Auditor General, requires that we report the results of our determination as to whether or not the *City of Mascotte, Florida* has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the *City of Mascotte, Florida* did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.c. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures. It is management's responsibility to monitor the *City of Mascotte, Florida's* financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

## **Annual Financial Report**

Section 10.554(1)(i)5.b., Rules of the Auditor General, requires that we report the results of our determination as to whether the annual financial report for the *City of Mascotte, Florida* for the fiscal year ended September 30, 2014, filed with the Florida Department of Financial Services pursuant to Section 218.32(1)(a), Florida Statutes, is in agreement with the annual financial audit report for the fiscal year ended September 30, 2014. In connection with our audit, we determined that these two reports were in agreement.

## **Other Matters**

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Section 10.554(1)(i)3., Rules of the Auditor General, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

## **Purpose of this Letter**

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, Federal and other granting agencies, the council members, and applicable management, and is not intended to be and should not be used by anyone other than these specified parties.

*McDiernit Davis & Company, LLC*

January 20, 2015

**INDEPENDENT ACCOUNTANT'S REPORT ON COMPLIANCE WITH  
THE REQUIREMENTS OF SECTION 218.415, FLORIDA STATUTES**

The Honorable Mayor and City Council  
*City of Mascotte, Florida*

We have examined City of Mascotte's (the City) compliance with the requirements of Section 218.415, Florida Statutes, during the year ended September 30, 2014. Management is responsible for the City's compliance with those requirements. Our responsibility is to express an opinion on the City's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards applicable to attestation engagements contained in Government Auditing Standards issued by the Comptroller General of the United States and, accordingly, included examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the City's compliance with specified requirements.

In our opinion, City of Mascotte complied, in all material respects, with the aforementioned requirements for the year ended September 30, 2014.

*MCDIRMIT DAVIS & COMPANY, LLC*

TELEPHONE: 407-843-5406 FAX: 407-649-9339 EMAIL: INFO@MCDIRMITDAVIS.COM

Honorable Mayor and City Council  
*City of Mascotte, Florida*

We have audited the financial statements of *City of Mascotte* as of and for the year ended September 30, 2014, and have issued our report thereon dated January 20, 2015. Professional standards require that we advise you of the following matters relating to our audit.

### **Our Responsibility in Relation to the Financial Statement Audit**

As communicated in our engagement letter dated August 8, 2013, our responsibility, as described by professional standards, is to form and express an opinion(s) about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of *City of Mascotte* solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our findings regarding significant control deficiencies over financial reporting and material noncompliance, and other matters noted during our audit in a separate letter to you dated January 20, 2015.

### **Planned Scope and Timing of the Audit**

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

### **Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

## **Qualitative Aspects of the Entity's Significant Accounting Practices**

### *Significant Accounting Policies*

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by City of Mascotte is included in Note 1 to the financial statements. As described in Note 1 to the financial statements, during the year, *City of Mascotte* changed accounting policies related to the adoption of Statement of Governmental Accounting Standards (GASB Statement) No. 67. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

### *Significant Accounting Estimates*

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

The most sensitive accounting estimates affecting the financial statements are:

Management's estimate for the allowance for doubtful accounts is based on historical loss levels, and an analysis of the individual accounts. We evaluated the key factors and assumptions used to develop the allowance in determining that it is reasonable in relation to the financial statements taken as a whole.

Management's estimation for the allowance for depreciation is based on the estimated useful lives of the capital assets. We evaluated the reasonableness of the useful lives as well as the depreciation methods in determining that it is reasonable in relation to the financial statements taken as a whole.

### *Financial Statement Disclosures*

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. The most sensitive disclosures affecting City of Mascotte's financial statements relate to revenue recognition as described in Note 1.

## **Significant Difficulties Encountered During the Audit**

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

### **Uncorrected and Corrected Misstatements**

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to the financial statements taken as a whole.

### **Disagreements with Management**

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to City of Mascotte's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

### **Representations Requested from Management**

We have requested certain written representations from management, which are included in the attached letter dated January 20, 2015.

### **Management's Consultations with Other Accountants**

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

### **Other Significant Matters, Findings, or Issues**

In the normal course of our professional association with City of Mascotte, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as City of Mascotte's auditors.

This report is intended solely for the use of management, the City Council and the Auditor General of the State of Florida and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

*McDiernit Davis & Company, LLC*
