Welcome to the City of Mascotte Residential Customers

Utility Deposit: A utility deposit of \$150.00 and a turn-on fee of \$35.00 must be paid at time of application for new services. To terminate services, you must submit the proper forms to City Hall including a forwarding address. Upon termination of services, your deposit is applied to the final utility bill. Any remaining deposit will be refunded (typically the month following when service is disconnected). If a balance remains owed, you will be billed accordingly.

Change of Occupancy Fee: A fee of \$50.00 will be charged to the property of any rental property with each tenant change. This fee covers inspections that are required of rental properties to ensure that the property is up to the Building Code standards in order to protect the tenants. **A fee of \$25.00 will also be charged if the rental inspection does not pass.**

Water Rates: An availability charge of \$28.00 is billed to all residential water utility accounts within the City. This fee is for the City providing water service to a property whether any water is used or not. The City uses a tiered water rate calculation as indicated below: **Minimum bill of \$35.00**

The utility billing period covers an approximate 30 day period. This period typically starts around the 1st of each month. Bills are mailed between the 13th and 20th of each month. **Bills are due on the 1st of every month.** On the 11th at 7:00 am a 10% late fee will apply and your account is subject to disconnection any time thereafter. There is a \$35.00 service charge for all accounts that make the disconnection list. If water is requested to be turned back on after standard work hours, an additional \$65.00 fee will be required from the customer. Any outstanding balance, including all late charges, disconnects and reconnects fees, must be paid in full to have service restored. On all return checks, service will be disconnected immediately. Also a cut-off fee of \$35.00 and NSF charge of \$25.00 will apply. **There are no exceptions to this policy!**

Stormwater Rate: A stormwater fee of \$7.00 is billed on your monthly invoice. This fee is used to fund activities that prevent flooding and untreated storm water run-off.
